We would like to dedicate the 1970 Voyager to Mrs. Anna W. Carey, our advisor. Few people realize the amount of work Mrs. Carey contributes towards the making of Bennett's yearbook. And so to show our appreciation we say thank you in this way.

Principal: MR. CARL W. DUMIRE

To the Class of 1970:

You are completing your high school education and assuming the responsibilities of adulthood during an era that presents many challenges to the individual and society. While great technological, scientific, and cultural advancements have been made, many problems remain unsolved. Poverty and unemployment remain in spite of our great wealth. Animositities among races still exist. Crime is increasing. Wars continue in spite of our efforts to find peaceful solutions to disagreements among nations. A segment of our population is more concerned with the rights of the individual than with the welfare of the group.

In the years ahead you will have the responsibility of trying to find the answer to important problems which my generation has failed to solve. I sincerely hope your three years at Bennett Senior have prepared you for the task.

With my best wishes for your future success and happiness, I am

Very truly yours,

Carl W. Dumire

Dear Graduates:

I want to congratulate each of you for attaining one of the major goals of your life—successful completion of your public high school education. You will now go down the many roads of life, some of which will cross from time to time. Regardless of what you do or where you go, I hope you will look back at your years at James M. Bennett Senior High School as enjoyable, rewarding, and instrumental in developing you for whatever endeavor you pursue.

Warmest personal regards,

Anthony Sarbanes

Assistant Principal: MR. WILLIAM C. EVANS

To the Class of 1970:

May I wish for each member of the Class of 1970 success and happiness. In order to be assured of this, one's education must include two important factors; an intellectual attitude toward life, and a philosophy of life. The proper intellectual attitude toward life implies that one must find the world and life particularly interesting by viewing them realistically, and one should understand that that which is now past was once a living present, just as the now living present is already in the course of becoming the past of another present.

Sincerely yours,

William C. Evans

In 1970, 130 Bennett students attended the Wicomico County Vocational-Technical Center. These 130 students included 70 juniors who attended in the morning and 60 seniors who had classes at Vo-Tech in the afternoon. Next year the curriculum will include 16 courses. Most of these courses are two-year, three-period-per-day programs yielding three credits per year. The newest addition is a course in food service and restaurant management.

Three years ago we took a big step—from junior high we came with our hopes and fears to Bennett Sr. Some of these hopes and fears have been realized in our three years here, some have been forgotten. But one thing is fore sure; our sails *have* been set and now the wind *is* about to test them.

The Class of '70 has been fortunate to have two understanding and hard working advisors—Mrs. Peggy Swartz and Mr. Carl Wilson. Without their help the Senior PTA program, prom, Baccalaureate, and graduation could not have been nearly as successful. For these highlights of our Senior year and for the minor details that go unnoticed—thank you.

A Place In the Sun

For two years we adjusted to high school life at Wicomico Junior High—making new friends and becoming active in school life.

Ninth grade found us in the newly constructed but not yet completed Bennett Junior High. A Student Council was organized and a school constitution was written. Athletic teams and school clubs were formed.

In September, 1967 the class of 1970 took the big step. As the first new class to come to Bennett in four years, we proved our worth when our class float won first place in the Homecoming Parade. Our class sponsored the Holly Ball which was another success. Many members of our class participated in school activities and the newly formed Girls' Track team was composed almost entirely of girls from our class.

As Juniors, our class surged forward at the last moment to sell the most P.T.A. raffle tickets and walk away with the \$100.00 prize. In February, Martha Copony left Bennett to attend school in Chile as an American Field Service exchange student. Junior Thespians produced *Rest Assured* and many classmates were also in the school musical *Bye, Bye Birdie*. A banquet was held in honor of the class of 1969, hoping to revive the traditional honor. One of the highlights of the year was the arrival of our class rings, an event met with the usual enthusiasm. Cathy Caldwell was elected the first female Student Council president in Bennett's history.

September 2nd, 1969—on top at last!

Under the able leadership of our class president, Don Dashiell, we settled down for a busy year. A.F.S. exchange student Peter Isler of Switzerland was a welcome member to our class. Once again our class won first place honors in the Homecoming Parade competition. Sally Cannon was crowned Homecoming Queen. The senior class presented *Liliom* in the fall. Talley Winchester reigned over the Holly Ball.

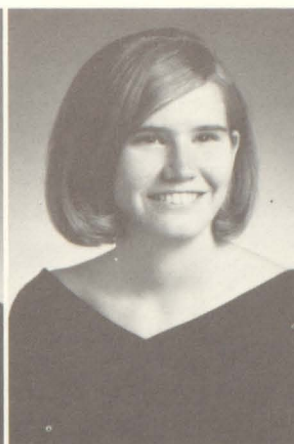

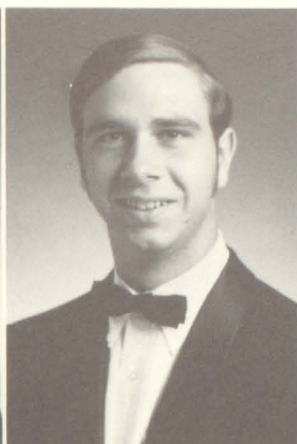

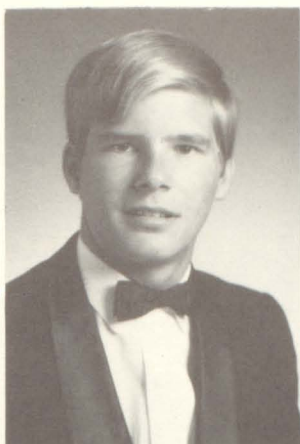

Members of our class were instrumental in establishing a Wicomico County Association of Student Councils and in getting support for the Maryland Youth Council.

April 8th the Seniors topped the underclassmen in All Sports Night. April 17 a Junior-Senior banquet was held in our honor.

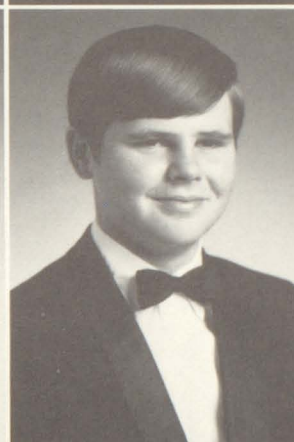

The days began passing quickly leading up to the exciting night. Our Senior Prom, which was "The Endless Summer," was held May 15 and we danced until midnight in a tropical island setting.

May 28th was Senior Day and we enjoyed a day of special privileges, ending with the Senior Awards Assembly honoring outstanding seniors.

Exams were patiently endured while waiting for the big moment—the Baccalaureate sermon May 31 and then graduation exercises June 5th, a momentous occasion marking an end to our years together.

On December 4-5 the seniors presented LILIOM as the first class play of the year.

The play, a serious drama, was very well cast and was directed by Mrs. Stephanie Romero, drama teacher, and Terry Deer, student director. Although LILIOM had a dramatic tone, Robb Johnson, Ilene Marks, and Alvin Wooters provided the much appreciated comedy.

Main characters were excellently portrayed by John Mountain (Liliom), Candie Overton (Julie), and Donna French (Mrs. Muskat). Jackie DeCola, Sally Cannon, Mike Fincher, and Charlie Powell stood out in supporting roles.

Terry Deer

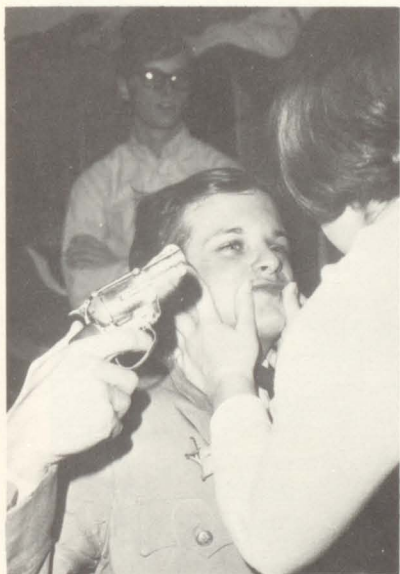

"Susan, are you sure this is the way Rock Hudson started?"

"Four score and seven years ago ..."

"I'm nothing in the morning without my coffee."

"I wish I had a way with women like Ricky does."

"Uh, Candie, there's a funny numbness in my right leg."

"I'm rough and I'm tough. Don't touch me or I'll black both your eyes."

"I'll just sneak a little swig to calm my nerves."

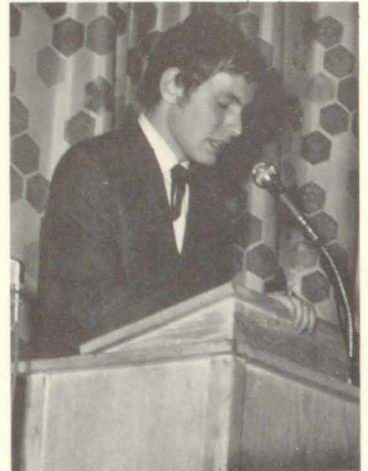

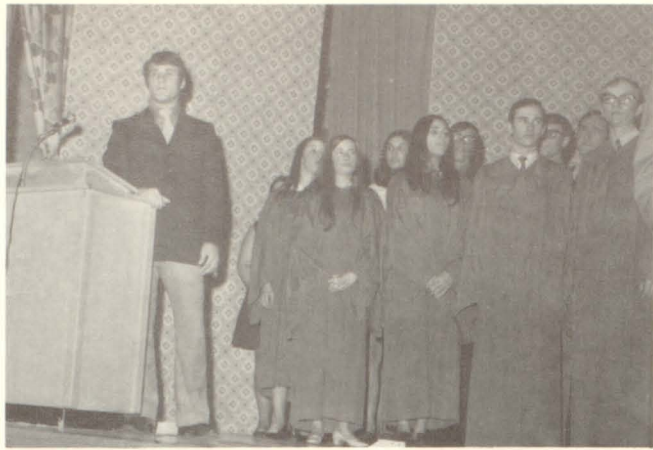

"Try not to be so emotional, Alvin."

GRADUATION

The Road Taken?

W H E R E T H E S E N I O R S G O N E

This year four Seniors stayed to complete their high school education at Bennett even though their families moved away. Pat Gould whose parents moved to Parkersburg, West Virginia stayed with Coach Tom Bailey and will enter VPI in the fall. The Aldridges moved to Princeton, New Jersey, while Scott remained in Salisbury to live with Dr. and Mrs. Andrew Mitchell. Next year Scott will enter Dickinson. Bill Stephens stayed in Salisbury with his grandmother, Mrs. Laura Coleman. His parents moved to Stamford, Conn. temporarily. Bill will be an AFS exchange student next year. Puerto Rico's newest addition, Glenn Marks made his home with Mr. and Mrs. E. Homer White. Glenn will attend University of Md. next year.

Many other Seniors will move including two on the Voyager Staff—Cathy White and Talley Winchester. Cathy is moving to Milford, Delaware and Talley to Tennessee. Cathy will attend University of Delaware next fall and Talley VPI. To any Senior who is leaving, the class of '70 wishes you Good Luck as we go our separate ways . . .

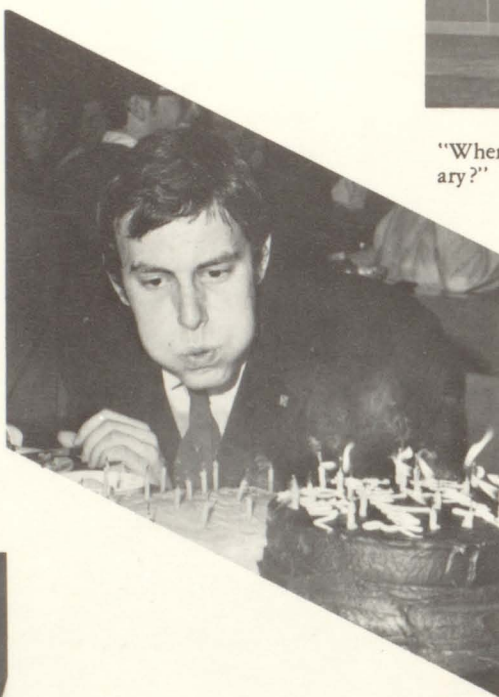

Happy birthday from Bennett.

"Where's my Spanish-English dictionary?"

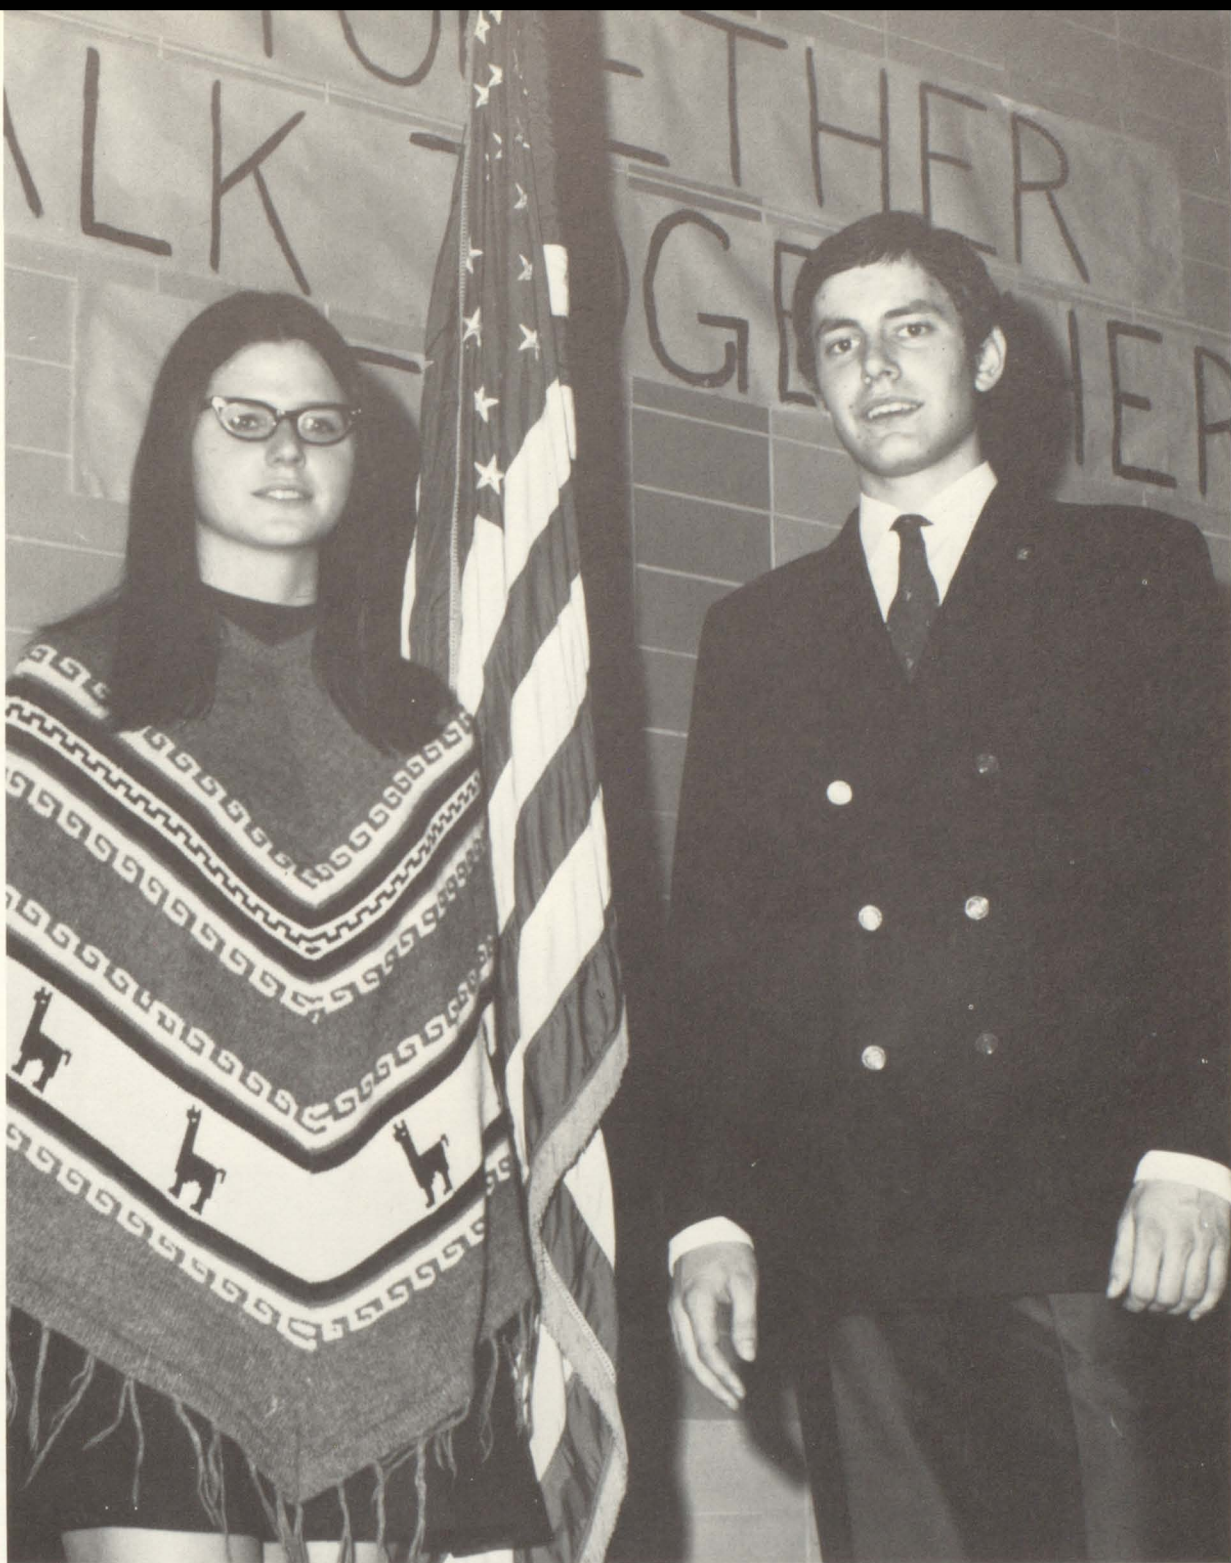

How many boys get
TWO birthday cakes?

"Are there any more cakes out there?"

"And now I'd like to present ... "

This year Bennett again had the honor of participating in the A.F.S. program. We hosted Peter Isler from Winterthur, Switzerland who made his home with Alan Ruhl. Peter will be remembered for his wonderful sense of humor and his abilities in soccer and tennis.

Martha Copony represented Bennett in Puerto Montt, Chile. She was chosen last year by a student exchange committee to leave in February, 1969 and to return in January, 1970. This experience and her Spanish are two things Martha will never forget.

We congratulate Peter and Martha for the honor of being chosen as exchange students and wish them all the luck in the coming years.

HOOTENANY

On Friday, October 10, Bennett was successful in presenting a Hootenany. A large crowd of students gathered in a coffee house atmosphere to be entertained by their peers. The program, which ranged from folk singing to comedy sketches, was deserving of the warm reception.

Congratulations Entertainers!

Susan, just jump right in when you know the words.

The camera captures the ecstasy of ballet.

"I think my fingers are caught."

They told me to meet them here at ten of nine!

Representing the Junior Class were Ann Kraus and Laura Giganti.

Representing the Sophomore Class were Beverly Corbin and Debbie Webster.

of a laugh."*

Santa Claus passes out gifts to the children.

With Christmas this year, Bennett was busy preparing for the B.Y.C. Christmas party and Student Council float for the annual parade.

The B.Y.C. committee, with Sally Cannon and Susan Purnell, provided the Christmas spirit for underprivileged children. The children were picked up and returned to their homes by students. The party, held in the Student Lounge, had Santa Claus (Gary Tarr), cartoon films, games, gifts, and refreshments. Local stores lent their support with money and gifts. The party proved that Bennett Youth Cares.

Our Student Council was proudly represented by a float in the Christmas parade. The theme was "The Spirit of Christmas" and a crepe-paper snowman sat atop the float. Our thanks to Marsha Robins and her crew for their spirit and hard work.

Come on David, give me a turn.

The kids open their presents eagerly.

The Spirit of Christmas and Bennett went into the Student Council Float.

HOLLY BALL

Talley Winchester reigned over Winter Wonderland.

Bennett's traditional Holly Ball was held December 12. The Sophomores were in charge of the dance, and their decorations were very effective. The stage was done in a winter scene, offset by an old sleigh and trees.

Talley Winchester was crowned Holly Ball Queen. Her attendants were Diane Odell and Marsha Robins (seniors), Kathy Schmidt and Diana Maycock (juniors), and Shay Betts and Bobbe Brittingham (sophomores). Music was provided by the "Vibratones."

Students danced to the music of the "Vibratones."

Sophomores used a winter forest scene in decorating.

Kathy Schmidt and Diana Maycock represented the Junior Class.

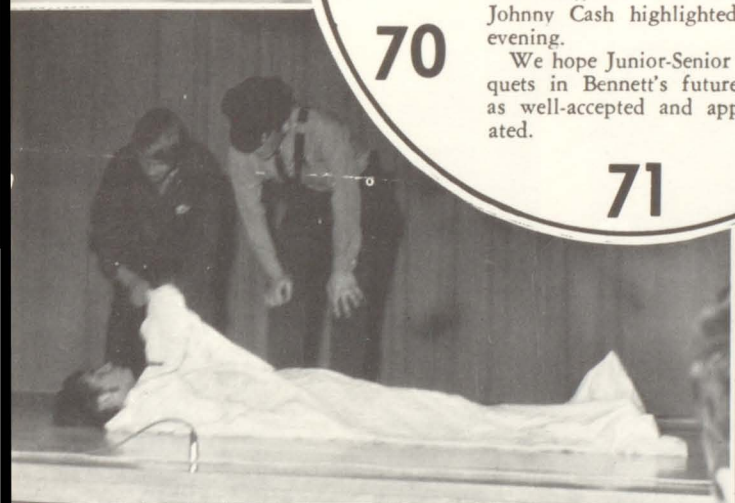

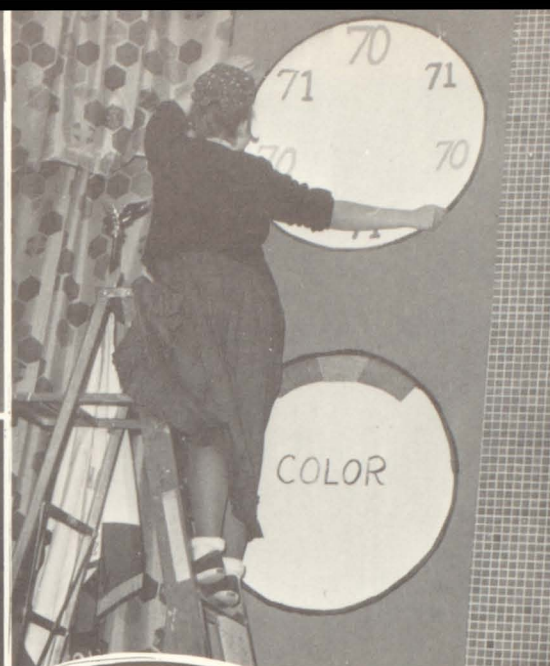

Bobbi Brittingham and Shay Betts represented the Sophomore Class.

On April 17 the Juniors presented their Seniors with a delightful Junior-Senior Banquet. This was the second year in a row that this honor had been successfully carried out.

An excellent dinner was followed by well-rounded entertainment. Performances ranged from slap-stick humor in skits to serious folk songs. Bill Ringold's take off on Johnny Cash highlighted the evening.

We hope Junior-Senior Banquets in Bennett's future are as well-accepted and appreciated.

Mrs. Stephanie Romero
Director

The Junior Class once again proved their skill on stage in the presentation of *Melody Jones*. This play centered around a teenage girl's emotions when she discovered she was adopted.

Although basically a drama, *Melody Jones* had its lighter scenes due to "hams" Vic Laws, Bruce Fleming, and Mike Potter. Kathy Sowards gave an excellent portrayal of Melody. The play received good reviews from all who attended.

Assistant Director

MELODY JONES

"You know there's something about the feel of a vacuum cleaner in your hands ..."

SPORTS NIGHT

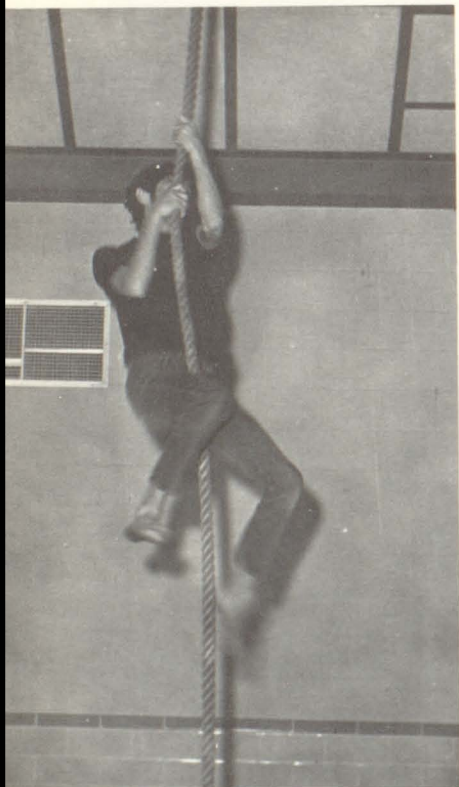

I think Chuck's feet are beginning to slip.

I thought you said this was going to be a cinch.

This picture was taken just seconds before Jeff's hands slipped ... his form on the floor was just as impressive.

Emily came down to find that her trampoline was moved for the next event.

On April 8, Bennett's class of '70 again emerged victorious. This time it was because of their superior strength and ability in the competition of gymnastics. All Sports Night, sponsored by the Varsity Club, ended with a score of 97 for the Seniors, overshadowing Juniors' 51 and Sophomores' 51.

If I could just shake these cramps out of my toes.

Dave Crockett exhibits his patience in gymnastics. (We all lost count after 23 attempted mounts.)

Miss Florence Fowlkes held this position for ten minutes.

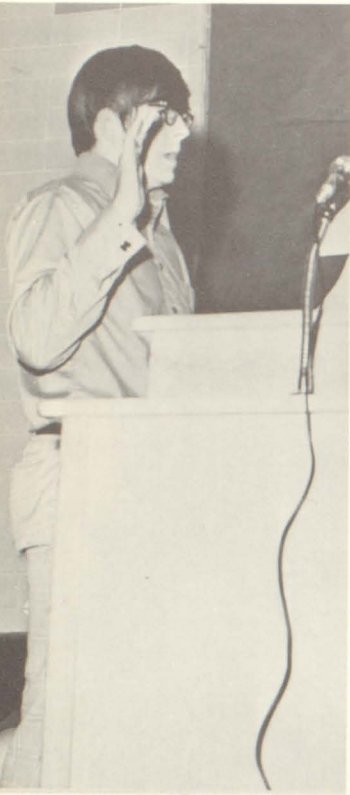

Musical Revue

To raise money for new band uniforms, the P.T.A. suggested that the music department of James M. Bennett present a musical revue. The revue, *The Best of Broadway*, consisted of songs from various Broadway shows such as *My Fair Lady*, *The Sound of Music*, *West Side Story*, and *Showboat*. Participating in the show were members of the choir and band. Directed by Mrs. Meta Smith and Mr. Charles Smith, the revue was a great success.

6-4

For their 6-4 record, Bennett's 1969 Varsity Football Squad should be complimented. Coach Bailey, in his first year with the team, guided our boys to an outstanding season, which included sixteen new records.

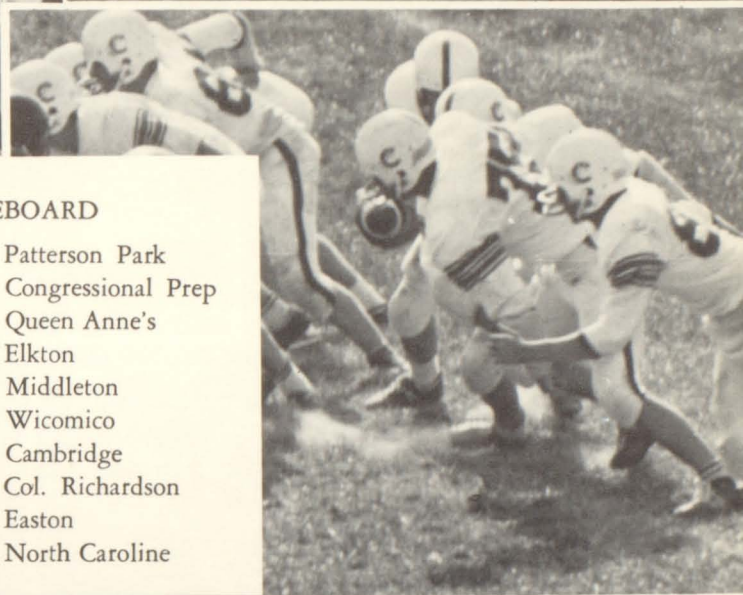

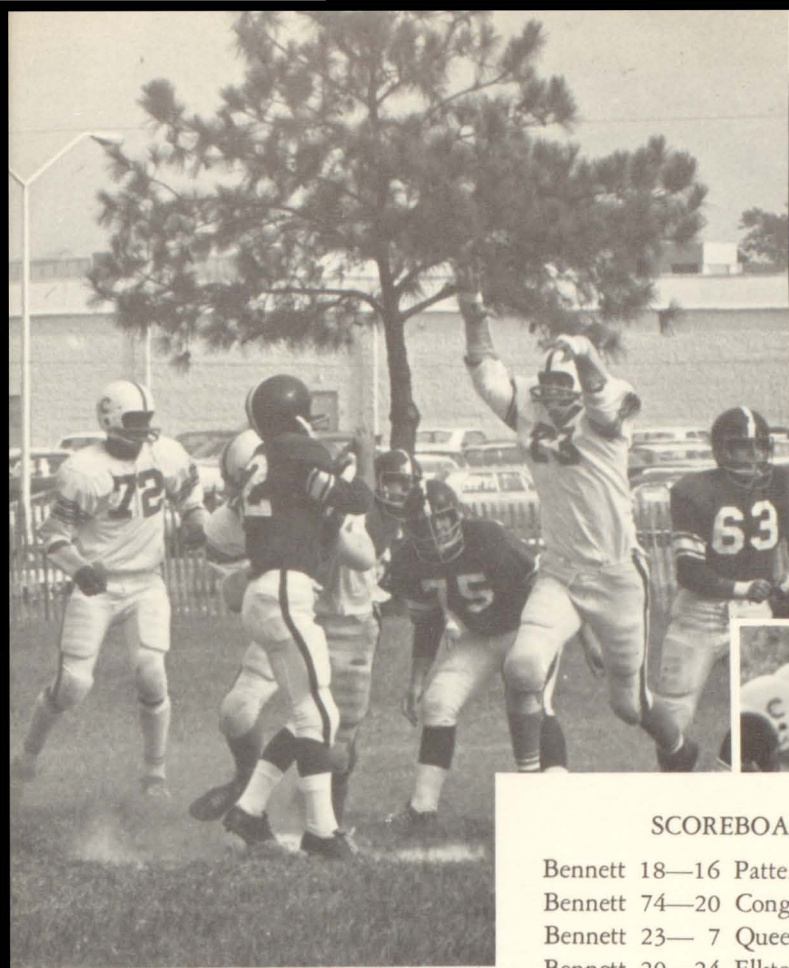

The Clippers' winning streak was broken when they tackled undefeated Middletown. Following this loss Bennett also bowed to Cambridge, Easton, and North Caroline. The team regained their backers when they defeated Wi-Hi 14-12.

Individual accomplishments were made by Dickie Perry and Pat Gould in their defensive abilities. The outstanding player of the year was John Parker who became the first junior to be chosen for the All-Delmarva Football Team and receive the Sportsmanship Award.

The senior squad leaves the team confident that the Clippers will go on to many more successful seasons.

MANAGERS: John McQuown, Bill Torrey.
COACHES: Mr. Briscoe, Mr. Bailey.

J. V.'s travel a rough road

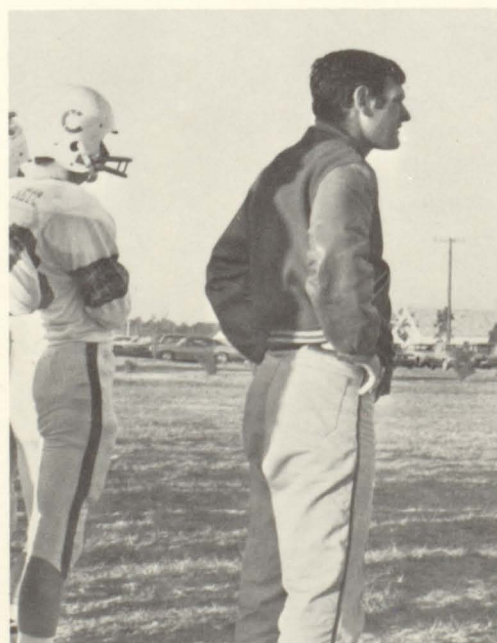

The 1969 J.V. Football team, under the new leadership of Mr. Harry Miller, continued to exhibit dominance over its opponents. With a 4-2 record, the J.V.'s looked very impressive in their performance in their two losses to Wi-Hi.

The baby Clippers should be congratulated in their fine defensive squad. The team held all of their opponents to less than two touchdowns.

With the display of skill of this year's J.V.'s, next season's Varsity squad should have a successful year.

Booters lose playoff . . . to Wi-Hi

The 1969 version of Bennett's soccer team did not have as fine a season as was expected. Posting its first losing record since becoming a high school, the Clippers ended with a 5-6 record.

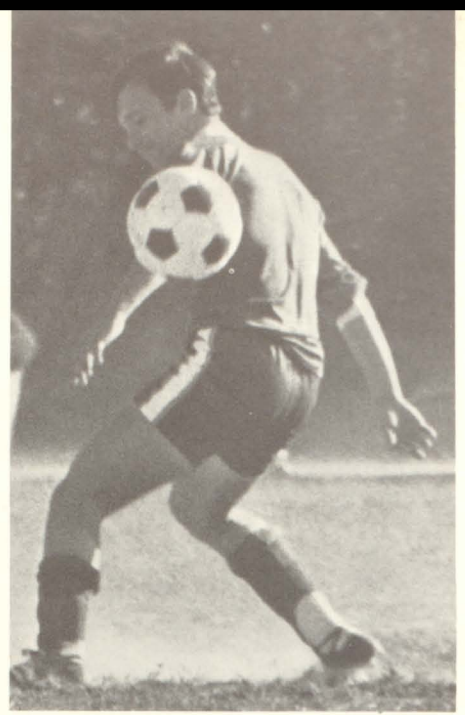

Working with all available talent, Coach James Little attempted to refine an almost completely new team in time to save the season. Weeks before the game, the Clippers worked long and hard hoping to attain the championship.

However, the season ended with defeat. The county title slipped by Bennett, going to Wi-Hi on a corner kick technicality.

Cross Countrymen run . . . but not hard enough

The '69 Bennett cross-country team had a very disappointing year, with only one victory. Mr. William Pump, trying to establish cross-country as a major fall event in the future, concentrated on building up the team for the coming year by recruiting a majority of sophomores and juniors.

The most spectacular event during the season was, Phil Vickers, placing eighth in the State. With hard work '70 should prove a better season.

Varsity Basketball

With the completion of the fall agenda, the eyes of Bennett turned toward basketball. When the final team was chosen there were 2 seniors and 9 juniors on the roster.

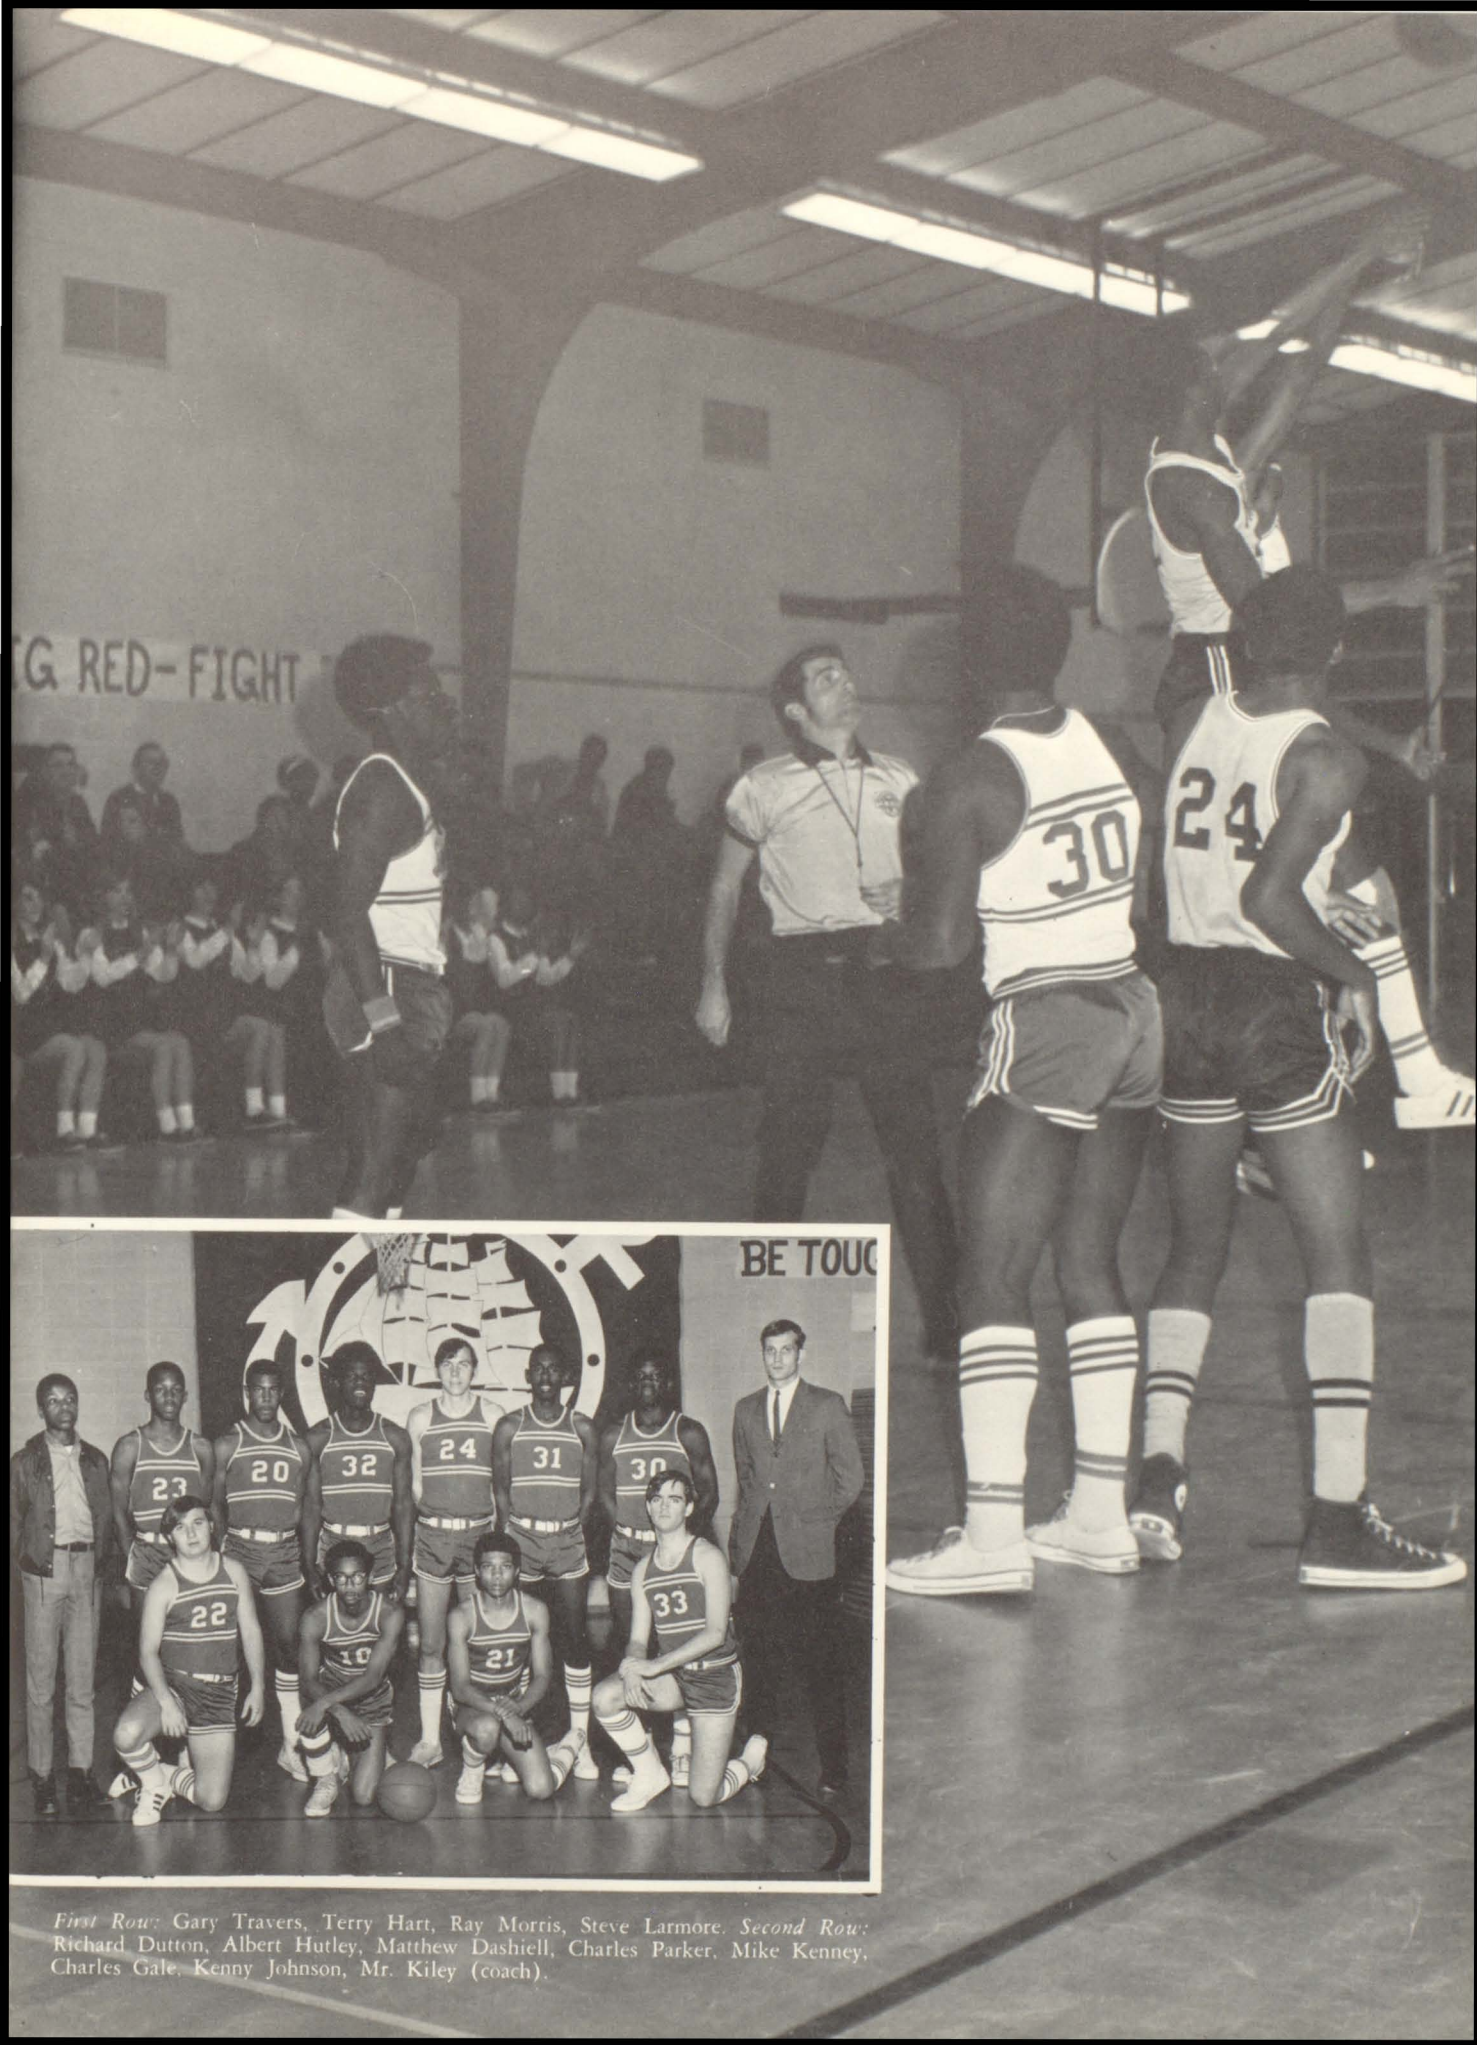

With its only victories coming from Mardela and North Caroline, the Clippers posted a 3-17 record. Coach Kiley was continually plagued with problems, the crowning blow came when Mike Kenney injured his knee and was benched for the remainder of the season.

With a majority of juniors coming back, the 71 Clippers should be tough to beat.

In his first year of coaching at Bennett, basketball team coach Harry Miller made a fine premiere. Working with entirely unknown boys, the team finished the season with a 12-6 record. The record does not do the team justice since they put in many long, hard hours practicing both on and off court. The J.V. team, made up of promising sophomores and juniors, gives all Bennett fans hope for a good varsity team next year.

Varsity Grapplers capture District titles

Bennett went wrestling wild in 1970 as the Clippers were undefeated, took the District V title, and sent five grapplers to the State Tournament.

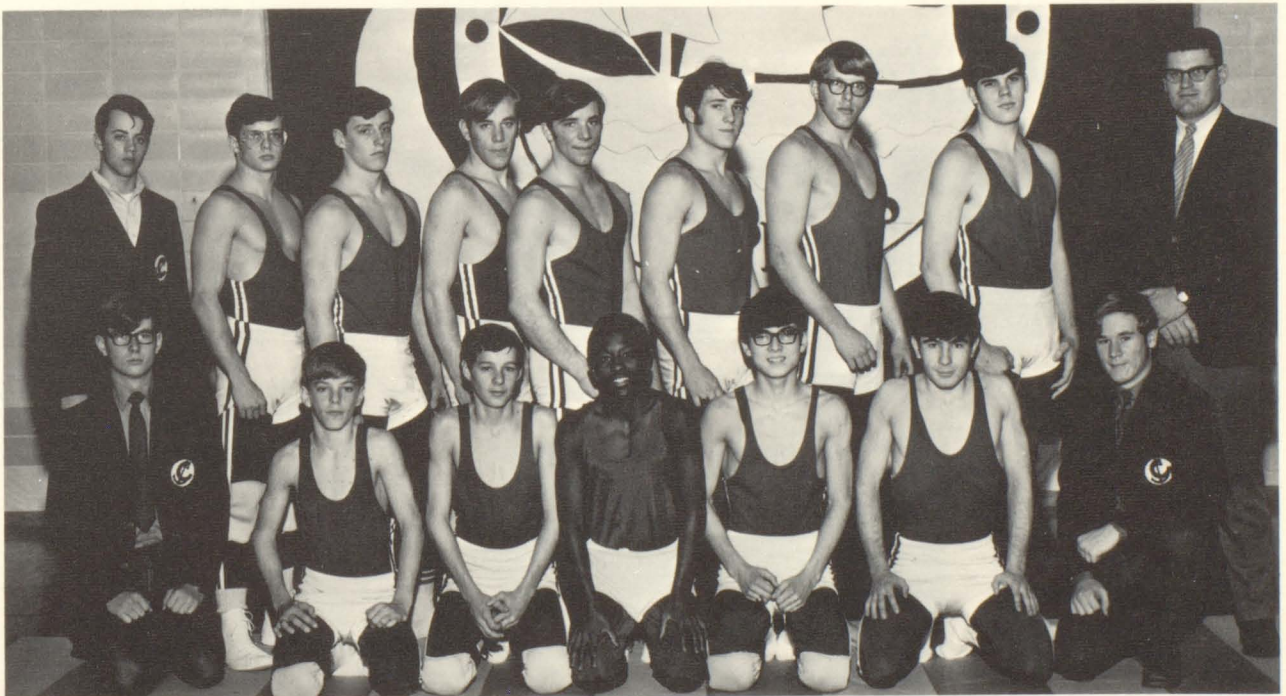

Highlight of Coach Briscoe's first perfect season was trouncing Wi-Hi twice. In post season tournaments, the matmen won the District V crown for the third straight year, finishing first of second in ten out of twelve weights. District champs advancing to the State Tournament were Ogia Miles, Rod Flowers, Dave Farace, Don Dashiell and Henry Gass.

1971 prospects are excellent despite the graduation of Miles, Flowers, Dashiell, Harold Grenhalgh and Rick Hartman. Eight underclass lettermen return.

The 1970 baseball team closed a most successful season with a 4-1 win over Wi-Hi, avenging a previous 2-1 loss, and bringing its record to 10 wins and 5 losses. With the outstanding pitching of Duffy McKenzie, winner of the Baseball Award, and the fine catching of Gary Tarr the team was able to prevent many unearned runs. With the graduation of Gary Tarr, Dennis Bounds, Rod Flowers, Duffy McKenzie and Robbie VanSant, the team loses some of the best talent seen in recent years. Next year's team, however, looks promising behind the pitching of juniors Steve Larmore and Mickey Bounds and the batting of Chuck Gordy and Pat McKenzie.

Bennett's 1970 track team proved to be as good as it has been in past years. At the beginning of the season the outlook was rather questionable but after the first few meets the possibility of a winning season was greatly enhanced. The Clippers won all dual meets, finished third in the Seaford Invitational, second in a triangular meet with Annapolis and Cambridge, and took first place in the Northampton Invitational. Despite the Senior Prom the night before, the thinclads repeated last year's victory in the District IV and V track meet and placed an impressive 4th in the State Class A track meet. Bright spots in the year included new school records in the mile relay, high jump, 880-yard run, and the pole vault. The outlook for next year seems dim but such has been the case every year.

Often quoted as being "unconquerable," Bennett's 1970 netters were no exception. Having great difficulty in scheduling matches for his team, Coach John Symons relied on high school teams around the Eastern Shore for competition. Finding little competition there, Coach Symons turned to Western Maryland College only to have his team conquer them 10-1. With a final record of 8-0, there were many players with unblemished records. These were, Morgan White, Fred Thomas, Larry Layton, and Rhett Frye. With the first eight players graduating, the 1971 team will have a rough road to travel.

The Varsity Cheerleaders definitely took on a new look this year, their major project being new uniforms. During a November PTA meeting the girls held a bake sale to earn money towards their new project. The new uniforms, red jumpers and white blouses, were worn during the basketball season.

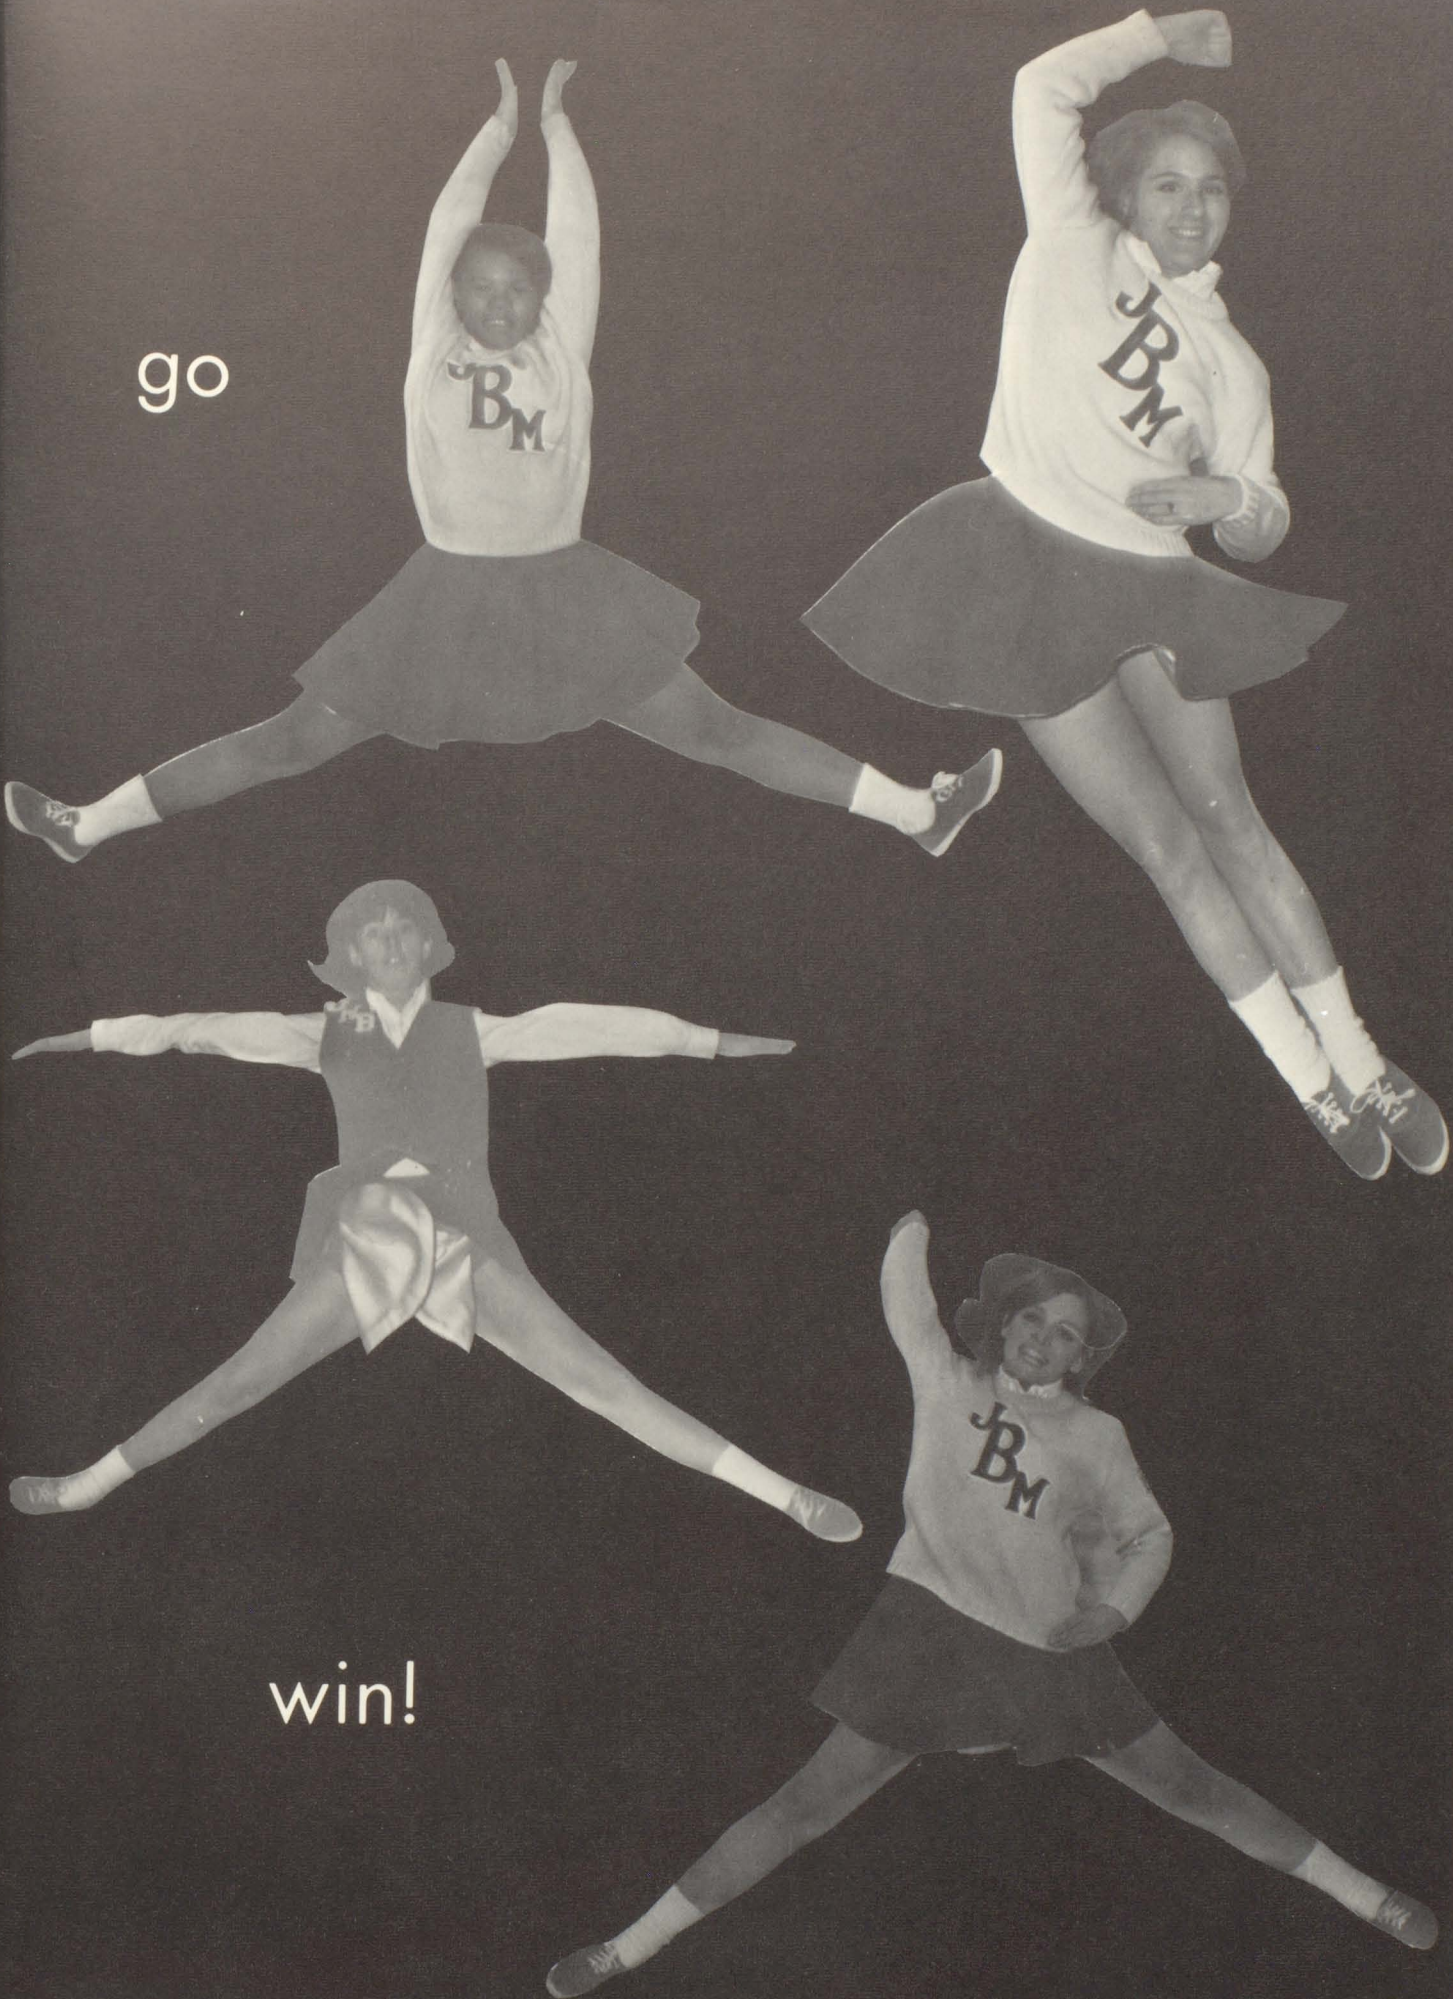

The week before the Wi-Hi game was "Spirit Week." The cheerleaders made Wednesday Underclassmen Day, Thursday Senior Day, and Friday Hex Day. With the addition of a mini-tramp the eight cheerleaders demonstrated their new look. The following two pages show new jumps and formations of the girls on the mini-tramp.

Other activities included decorating for the Wi-Hi Bennett Football Banquet and attending a summer camp at the University of Maryland.

J.V. Cheerleaders spring to action

Hey, where did everybody go?

The student body wishes to congratulate its Junior Varsity Cheerleaders. The squad consisted of four juniors and four sophomores, with Kathy Wagner and Ann Kraus as captain and co-captain. Advisors were Mrs. Phipps and Miss Noble.

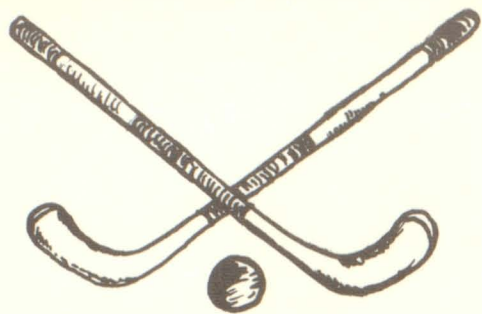

The squad cheered for J.V. football, hockey, soccer, boys' J.V. and girls basketball. As if that didn't keep them busy, they made booster signs and participated in pep rallies.

Thank you, girls for spirit and helping hands.

Our hats off to the 1969 hockey team for a rousing year! Coached by Mrs. Gibson and led by Cathy Dudderar and Frankie Robbins, the girls kicked off the season with a brand new field and goal posts. Most of the team's games were close, and at season's end the scores stood at 4 wins, 4 losses, with one tie.

The girls really outdid themselves in beating Wi-Hi both games. Their efforts did not go unheeded because they gained a tie with Pittsville for this year's county championship.

This year's girls' varsity basketball team wound up their season with a 8-4 record. Coached by Mrs. Delores Tucker, the girls were defeated by Wi-Hi, North Caroline twice, and Cambridge. Tri-captains of this year's team were Linda Cherepow, Cathie Dudderar, and Marsha Robins. Tri-captain Cathie Dudderar was high scorer for the season averaging 18.3 shots per game with a season total of 220 points.

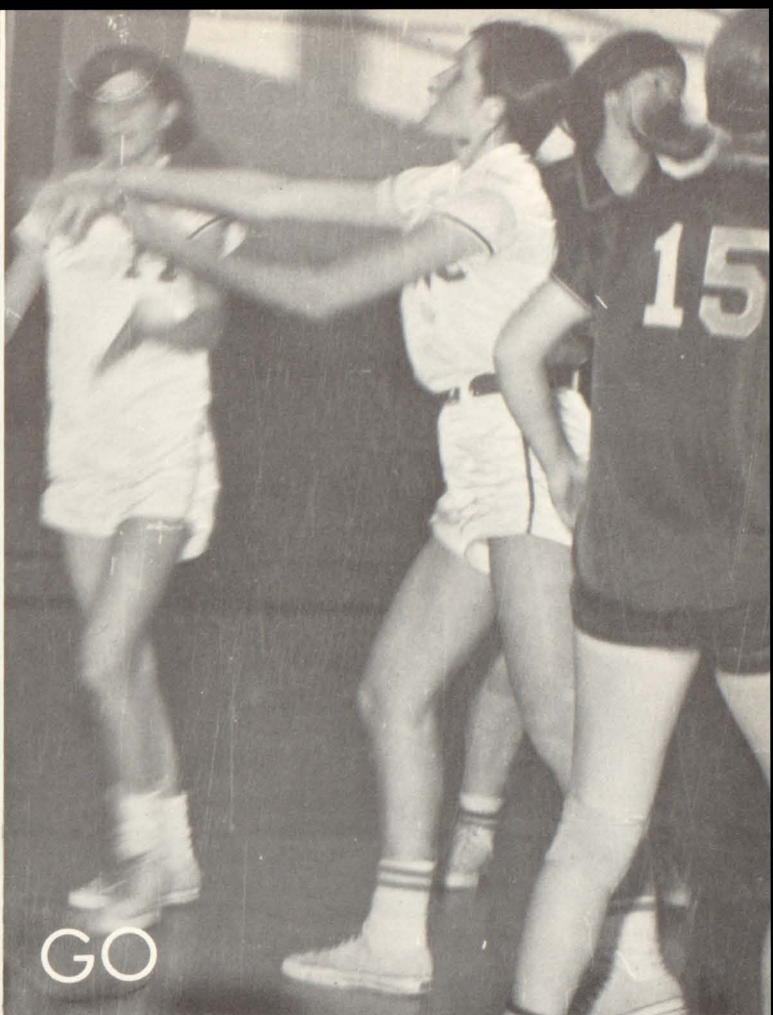

In the last game of the season, all the seniors were placed in the game. Retiring seniors are: Linda Cherepow, Cathie Dudderar, Franki Robbins, Marsha Robins, and Debbie Smith. Mrs. Tucker's hope for next year's team is George-Ann Wingrove, a junior who will be the only girl left to play first string. Potential members of next year's team will be players of the J.V. team.

This year's Girls' softball team ended its season with a 11-1 record, extending its winning streak to 21. As was true last year, most of the games were won by a sizable margin. The girls' only loss was to Washington High with a score of 9-14.

Among the outstanding players was Nancy Hebert, pitcher, who had an excellent season with only one loss. Besides relief pitching, Debbie Elliott proved capable as an outfielder with many good plays to her credit. Marsha Robins warrants recognition. She has been the team's catcher for two years and leads this year's team in batting. Marsha hit eight home runs and received the Softball Award this year. Other outstanding players were George Ann Wingrove and Linda Cherepow. Both were strong fielders and contributed much to the success of the team.

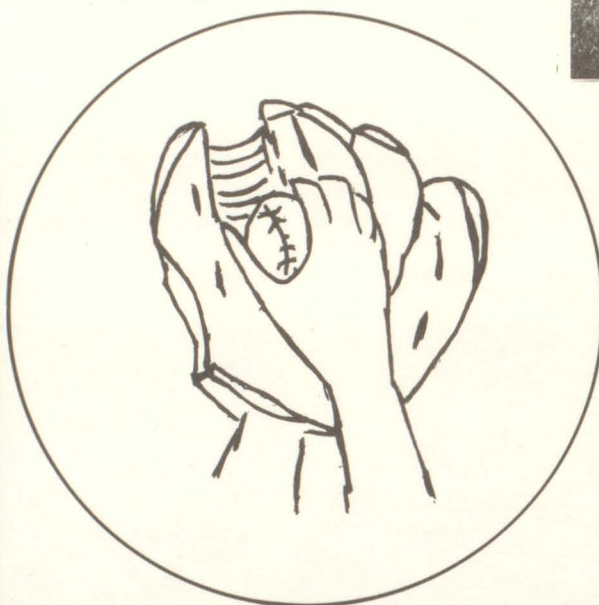

By losing only five seniors, next year's team should show definite strength.

In February, since the Student Council seemed not to benefit from either organization, it withdrew from the Lower Shore Association of Student Councils and the Maryland Association of Student Councils. Accordingly, organizational meetings were held and a constitution was drawn up for a county association of student councils.

Two amendments were added to the Constitution, providing for self-nomination of homeroom representatives and participation by Student Council officers and class presidents in discussions at Student Council meetings.

Several innovative projects were completed this year. The motorcade preceding the North Carolina football game on November 21 was a first. For the first time, trash cans appeared under the water fountains. Another change was the replacement of Chau Soo Man, Bennett's foster child, by Yu Lee Ling, a seven-year-old girl from Hong Kong.

For the third year, Bennett students' literary efforts have found an outlet in the *Tradewinds*, Bennett's literary magazine. Original art, photographs, poems, and prose are submitted anonymously by students, then judged by the staff. They are first read and discussed by the staff, rediscussed, and then voted upon. The four editors pass final judgement. The best selections, regardless of number, are chosen. The journal, costing fifty cents, comes out in the spring.

Other activities and honors included a successful football half-time series, a Second Place Trophy in the Salisbury Christmas Parade, an admirable performance in the Christmas Program at the Civic Center, participation in the dedication of the Ocean City Convention Hall and the orchestration for Bennett's first musical revue, "The Best of Broadway."

Approximately 100 students from Mardela, Pittsville, Wi-Hi, and Bennett, along with local educators, businessmen, and politicians, participated. Following an explanation of the theme by Dr. Frederick Breitenfeld, Executive Director of the Maryland Center for Public Broadcasting, the participants formed discussion groups to interpret the theme.

During Brotherhood Week, a radio program prepared jointly by the Human Relations Clubs of Bennett and Wi-Hi was aired on time contributed by station WJDY. Musical selections including "If I Had A Hammer" and "Let There Be Peace" were performed. Paul Carey presented general information concerning NCCJ and the Maryland Youth Council.

The 1969-1970 school year welcomed the addition of a new club to Bennett, the Debate Club. Requested by a group of students, the club was formed last fall and has attracted wide interest and support from the student body.

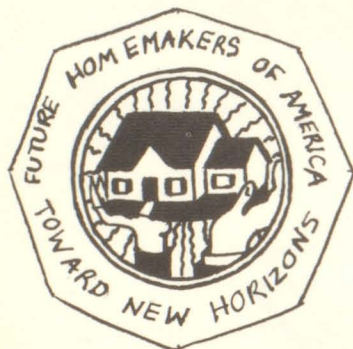

The Debate Club fills a void at Bennett by offering a forum for orderly discussion and argument on limitless issues, and provides invaluable training in logical thinking and coherent presentation of arguments.

In its first year, the Debate Club concerned itself mainly with basic principles of debate and informal debate procedures. Practice debates within the club were held and orderly argument, rather than issues were stressed. Future plans, however, include public debates, debate contests, and competition with other schools.

Bennett's lettermen once again organized the traditional All-Sports Night. The proceeds from All-Sports Night and the sale of popcorn at football games were used to buy a water cooler for the teams and a record board for the wrestling team. In keeping with its policy of providing equipment not normally supplied by the school's athletic fund, the club plans to buy a whirlpool bath and a wrestling mat in the future.

Juniors and Seniors attend seminars

Twenty-six juniors and seniors from Bennett were chosen to participate in a series of seminars in politics and government (left) and science (below).

The politics and government seminars began Feb. 6 with Senator Charles Mathias as speaker. On March 5 and 7, Louis Goldstein, comptroller of the treasury, and Paul D. Cooper, director of fiscal services discussed the state's financial responsibilities and obligations.

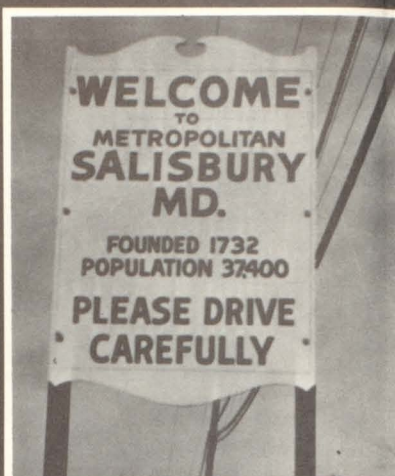

The science seminars, "Selected Topics in Modern Chemistry" conducted by Dr. Edward T. Shaffer, "Concepts of Modern Physics" conducted by Dr. Harvey N. Hall, and "The Biology of Behavior" conducted by Dr. V. L. van Breeman, were held at the Salisbury State College.

Bright Future

Our Compliments to the Class of 1970

We wish to extend our sincere congratulations for completing this vitally important step toward your future.

Whether your plans call for entering college or starting a career upon graduation from High School, the decisions you now make, may well be the most important of your entire lifetime.

As one of the leaders in Maryland's largest industries—the "Broiler-Fryer Industry"—we are taking the liberty of bringing to your attention, the fact that we too must plan for the future of our company and seek capable personnel, particularly those who can accept responsibility and are interested in a permanent future.

May we suggest that you contact one of the companies listed below and let them explain the many professions, trades and skills as they are employed in our industry. We offer a wide selection from which to choose—some require college training and others start with on-the-job training. We offer you a real opportunity right here on Delmarva. You may have read the book, "Acres of Diamonds," which relates many examples of persons who sought success in faraway places, only to learn years later the opportunity they were seeking was right at the place from which they had originally started. We suggest you look for your "Pot of Gold" right here on the Good Ole' Eastern Sho', FIRST—before looking elsewhere.

Here is a list of categories and careers that can offer you an opportunity for a sound future in our industry.

Accountants	Electricians
Administrative Managers	Feed Mill Operators
Auto Mechanics	Graduate Nurses
Bacteriologists	Hatcherymen
Bookkeepers	Maintenance Men
Broiler House Managers	Nutritionists
Broiler Growing Service Men	Poultry Graders
Data Processing	Poultry Inspectors
Key Punch Operators	Refrigeration Technicians
Programmers	Secretaries
Computer Operators	Stenographers
Dressing Plant Supervisors	Truck Drivers—Local—Long Distance
Economists	Veterinarians

Please call us for an appointment and let us discuss plans for your future.

President, 1970
Parent Teachers Association

Mrs. C -

Your phearless photogs, young Grumbley & Miss Crunch, expect to take my picture with the Optimist Gang period 1. Little do they know of my evil intentions with the large group- they think I'm free! (would that it were so).

humbly,

R. Robinson

In the past school year, you, the student body, have listened to our yearbook announcements, and you saw our yearbook assembly. You have observed our business managers at their card tables religiously selling yearbook subscriptions during lunch, and you have witnessed Bennett's first two female photographers roaming the halls on the lookout for that certain picture."

Yes, we have worked hard but the 1970 Voyager could never have been compiled without the help of many people. We wish to thank our dedicated staff who have put in many hours. Also we would like to thank the teachers who have been patient and understanding and we would especially like to thank Mr. Owens and Mr. Smith for their help with the yearbook assembly. We have been fortunate to have a cooperative administration. Mr. Jones, his custodial staff, and the secretaries have also contributed their services to the Voyager. Most of all, we would like to thank our advisor, Mrs. Anna V. Carey, for her encouragement and helpful advice.

We hope that this will be one of the best yearbooks Bennett has produced. Our efforts will be rewarded if you, the students, feel that this yearbook realistically portrays the 1970 school year. After all, the yearbook is for a special group of people—the students.

The Road Not Taken

*Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;*

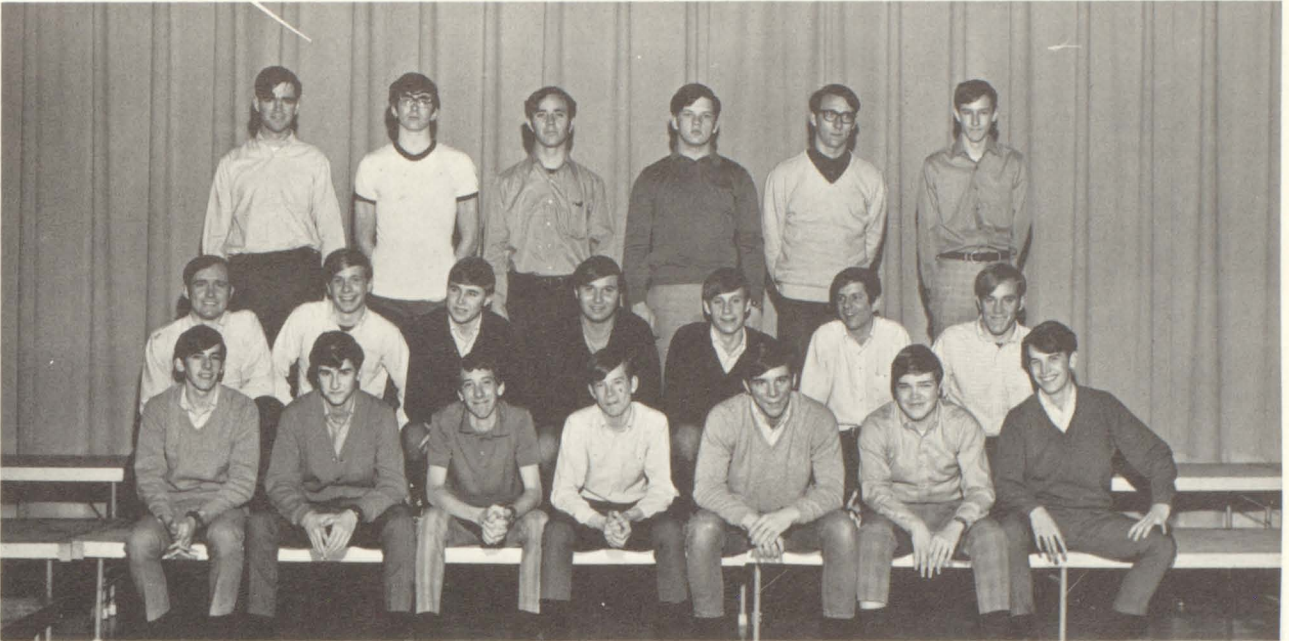

*Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same.*

*And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.*

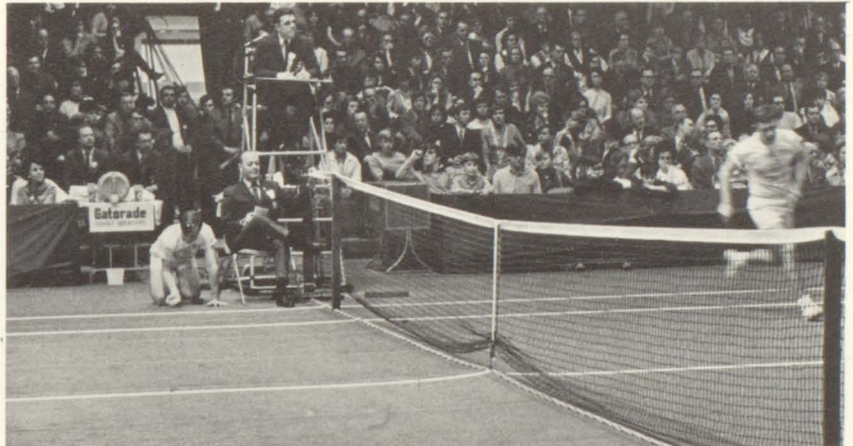

*I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.*
